Current Responsibility

Kylee Bengochea is a DB consultant and project manager with the Employee Benefits Administration Practice of Milliman. She manages the Special Projects Team within the Employee Benefits Administration Practice, focusing on lump sum windows, plan terminations, and annuity placements. She joined the firm in 2007.

Professional Work Experience

Kylee began her career at Milliman as an analyst and transitioned into the roles of DB consultant and project manager. Since 2012, Kylee has been the lead project manager for over 40 lump sum windows and plan terminations. Kylee also assists with compliance-related tasks, including the Annual Funding Notice and the AFTAP Certification.

Kylee has been a speaker on pension matters at Milliman consultants' forums and has contributed to Milliman's DB Digest magazine.
