Current Responsibility

Ada Bowler is an associate actuarial consultant in Milliman's Dublin office. She joined the company in 2023.

Professional Work Experience

Ada's experience is primarily in the life and non-life insurance fields in both the domestic and cross-border (re)insurance markets.

Her expertise includes valuation and financial reporting, developing, maintaining, and validating actuarial modelling systems, PRSA determination, risk management, portfolio transfers, and other consulting work.

Ada has in-depth Solvency II knowledge and experience and has supported clients in meeting Solvency II requirements across the three pillars.

As part of our risk team, Ada has been involved in several projects, including climate risk assessments, and is regularly involved in Milliman's R&D projects.

She is also keeping up to date on developments in the areas of actuarial modelling and data science and is currently sitting her professional exams.

Prior to joining Milliman, Ada completed a six-month internship with Athora as an actuarial analyst on the Reinsurance Operations team.

Education
