

### Dawilla Madsen

APM, CLU, ERPA  
DC Compliance Consultant

#### CURRENT RESPONSIBILITY

Dawilla Madsen is a compliance consultant in Milliman's Employee Benefits Administration Practice. She joined the firm in 1983.

#### EXPERIENCE

Dawilla has more than 30 years of experience with various aspects of employee benefits plans. Her areas of expertise include compliance, plan documentation, and government reporting and disclosure for qualified and nonqualified plans. She has expertise in both defined contribution and defined benefit volume submitter and individually designed plans. She also provides research and consulting expertise to other consultants on compliance and testing issues.

Prior to joining Milliman, Dawilla was vice president and manager of the compliance department at Sedgwick Noble Lowndes. She previously held consulting positions with Prudential Insurance Company and Sentry Life Insurance Company.

#### PRESENTATIONS AND PUBLICATION

Dawilla has published articles for both internal company and outside publications. In addition, she has been a speaker for various compliance training seminars.
