

RYAN ROWLAND

EA, FSA, MAAA

Principal & Consulting Actuary

ryan.rowland@milliman.com

Current Responsibility

Ryan Rowland is a principal and consulting actuary with the Orange County office of Milliman. He joined the firm in 2019.

Professional Work Experience

Ryan leads Milliman's Southern California corporate pension plan consulting practice and has provided pension and retiree medical program consultation for more than 25 years. He has served clients across a broad spectrum of industries and plan sizes, ranging from \$20 million to over \$45 billion. Ryan has had the privilege of helping his clients find solutions to their specific complex problems, and prides himself on "finding a way" to get it done.

He has extensive experience consulting with:

- Cost and risk management strategies
- Funding strategies
- Plan design
- Pension accounting (i.e., both GAAP and IFRS)

Ryan is also an internationally recognized actuarial author and teacher who has successfully helped countless pension actuaries prepare for the extremely rigorous Society of Actuaries Fellowship examinations.

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries
- Enrolled Actuary, ERISA

Education

- B.S., Mathematics, with a Specialization in Business Administration, University of California, Los Angeles
- M.A., Mathematics, University of California, Los Angeles
